MATERIALS AND FINISHES

Multiple wall coat rack

Hanger made up of an aluminum profile painted in silver RAL 9006, black RAL 9005 or white RAL 9002. Five shiny, matt or black chrome-plated brass hangers attached to the same profile with screws. A bichrome steel plate is supplied to facilitate the alignment of several coat racks.

Single wall hanger-handle

Chromed brass hangers 35mm or 68mm long hung on the wall. A chrome set-in washer is supplied.

ACCESSORIES

Hangers

They are made of an injected piece by transparent polycarbonate and a chromed iron hook, rounded at the edge to avoid any damage on the clothes hanged on it. This component is placed on the mould when it is injected, thus achieving a single piece. They are supplied in 6- unit packs.

MAINTENANCE

Clean with a damp cloth with mild soap and water. Rinse and dry with a dry cloth. Avoid using abrasive products.
